

**Greek Food and Wine Week**  
**September 6th – September 13th 2004**

The Antipodes Festival is a proud supporter of the Melbourne Food and Wine Festival and its inaugural **Greek Food and Wine Week**.

Discover the diversity of real Greek Cuisine! This new event combines real Greek Cooking Classes with top chefs of Greek descent and authors at The Essential Ingredient in Prahran, on the weekend of September 11 - 13. This coincides with the screening of **A Touch of Spice** at 7pm on Saturday September 11 at Palace Cinema Como.

**The Greek Table** - a series of special regional banquets of traditional authentic Greek cuisine held over three evenings from Monday September 6 to Wednesday September 8 at the best Greek Restaurants around Melbourne.

The Greek Food Festival events will culminate with a **five course Greek dinner** to be held at the Como Hotel on Sunday September 12, featuring a collaboration between top Greek Chefs.
